Accuracy – 1st

The written-out ornamentation makes the vocal line very complex and fiddly to transcribe. Aside from a few small slips (marked up for the first page or so of the score), you've done an excellent job of it. The text

Outstanding. Statistical analysis is mostly sound. Sampling should be better foregrounded to explain why this group is of particular interest.

Style:

Excellent to outstanding. Well-written, enjoyable to read. Accurate and relevant referencing and bibliography. Accurate and consistent use of style, headings, sub-headings etc.

Any further notes:

Outstanding. Maximum scores on most criteria and very few weaknesses in style, delivery or content. Thought provoking, precise and original.

文字评语

Very good, logical, smooth presentation. Good analysis, smart introduction and good, short but accurate conclusion. Some minor remarks are mostly stylistic and about the use of some of references.

Otherwise, very well done, pleasure to read.
